AGREEMENT between Christ Church, Philadelphia, and the Pennsylvania Prison Society.

WHEREAS the Pennsylvania Prison Society was founded 151 years ago by certain public-spirited citizens of Philadelphia, and whereas Bishop White of the Protestant Episcopal Church was its first President and much interested in the work of the Society, and

WHEREAS there are certain records of the Pennsylvania Prison Society which have been brought together at this time, and which the Society cannot well keep in its present offices owing to a lack of space, and

WHEREAS it is important that these records should be preserved, if only on account of their historical value if for no other reason, and

WHEREAS the Vestry of Christ Church, by resolution adopted at their meeting held October 25th, 1938, has approved a request made by the Pennsylvania Prison Society that the said records should be preserved by the Vestry of Christ Church and stored in Washburn House adjoining the church,

NOW THIS AGREEMENT WITNESSETH:

That Christ church will receive and safely keep the said records in Washburn House as aforesaid, it being understood that if it becomes necessary to store them elsewhere the Pennsylvania Prison Society will be duly notified and given an opportunity to take them back into its possession.

And, further, that the Pennsylvania Prison Society will receive back into its possession the said records, if at any time it becomes inconvenient for the Church to keep them and the Society is duly notified of the fact.

IN WITNESS WHEREOF the parties to this agreement have hereunto set their hands and seals at Philadelphia, Pennsylvania, this day of May, 1938.
